

**New England Chapter of the Wound
Ostomy and Continence Nurse's Society
is happy to present a 2024 Scholarship
Award to:**

Olivia Domack

Olivia is an RN, who became WTA certified in 2023 and started her full scope WOC Nurse program through Web WOC this year.

Olivia is currently employed at Spaulding Rehab Hospital where her colleagues describe her as "a strong charge nurse, preceptor, and mentor", "She has a passion for wound and ostomy care, and her commitment to continuously improving her own practice and supporting other nurses will make her a valuable asset to the New England Region WOCN Society".
