

Outstanding Wound Ostomy Continence Nurse of the Year 2024

Each year a member of the New England Chapter WOC Nurses Society is bestowed with this prestigious peer award.

Sharon Davis

Sharon has a wide array of experience from skilled nursing facilities, outpatient, and now as an inpatient CWOCN. Sharon is employed in the Hartford Healthcare System where she precepts new nurses/WOC students, leads the unit-based PI prevention program, oversees/operates the outpatient ostomy clinic, and collaborates with nursing leadership for PI prevention and management as well as consulting on wound and ostomy patients.

Sharon has led the monthly CT WOC Nurse group Zoom meetings which offers guidance and expertise on challenging wound and ostomy cases. She organizes and leads the hospital system wide WOC Nurse biweekly meetings.

Sharon has proudly served on the Education Committee for three years, first as co-chair, and now as chair for the past two years.
